Vaugier is perhaps best known for memorable guest arcs on such TV shows as *Smallville* and *One Tree Hill*. She's also recently completed production on the lead role in *House of the Dead 2: Dead Aim*, due out from Lions Gate next year, and she'll play the title role in the Sci Fi Channel movie *Painkiller Jane*.

Saw 2 will be directed by Darren Lynn Bousman, who co-wrote the original *Saw* screenplay with James Wan and co-star Leigh Whannel.
