

Canadian actress and former model **Tricia Helfer** is one of Hollywood's rising acting talents, best known for her portrayal of humanoid Cylon Number Six on Syfy's critically acclaimed *Battlestar Galactica*. More recently, Helfer has starred in e.g. Andrew Paquin's *Open House* and as FBI Agent Alex Rice on TNT's *Dark Blue*. Helfer is also an active benefactor of animal and environmental causes.

Tricia and best friend Katee Sackhoff's charity initiative, **The Acting Outlaws**.
